## Guide to Enjoying Bag Books

# BAG BOOKS

## **What are Bag Books?**

For those of you that are not familiar with them, Bag Books are A3-sized multi-sensory stories that come in a box with a handle. Each story is made up of separate page cards, each of which has an object for the children to hear, smell or feel.

These are designed for children with profound and multiple learning difficulties, people with severe learning disabilities and young people on the autistic spectrum. They are also hugely beneficial to those with visual and hearing impairments.

These books are intended to capture the listener's interest and can be used for both leisure and learning.

A great deal of fun can be had by both the listener and the teller and they can be shared with siblings and friends very easily.

## **How to borrow Bag Books**

Small selections of Bag Books are stocked in each of the following Bexley libraries: Central Bexleyheath, Crayford, Erith, Sidcup, Thamesmead and Welling. Due to their size and format they are stored away from public view. Just ask staff if you would like to see or borrow one.

To borrow a Bag Book you will need a current Bexley library card for yourself or your child. If you don't have a Bexley library card you can join for free - either online or by coming into one of our branches and showing proof of identity which includes your address.

Bag Books are loaned for 3 weeks. You can return them earlier or renew them for longer. You can renew them via your online library account, by telephoning 020 8303 7777 and selecting option 4 or by visiting any of the libraries listed above.

Bag Books can be returned to any of the libraries listed above.

## **Damaged Bag Books**

Please don't worry if any of the parts of a box or its contents become lost or damaged. It is the nature of Bag Books to be handled and used and we understand that, over time, this will involve wear and tear. It would help us greatly if you could point out any lost or damaged parts on return.
