

Wi-Fi printing

iOS (Apple) and MAC device users

- 1) Select the library printer from the list of available printers on your device.
- 2) The first time you print, you will be asked for your library card number and PIN.
- 3) Once you have printed, the print job will be held by the netloan system.
- 4) Show your library card to a member of staff to get your print job released.
- 5) When your print job is released, tell the member of staff which print options you need e.g. colour, or black & white.

For further information and help, please visit the netloan Wi-Fi print instruction page available here: <http://wifi>
